SPECIALIST LIGHTING

INTRODUCTION

The Bisque is the latest addition to our ever growing range of track luminaires, the unique quatrefoil shaped head has been crafted from high quality die cast aluminium and incorporates the latest state of the art lens optics. The mounting arm comes with a unique annotated dial allowing you to rotate the fitting head to the exact angle required, ensuring that they can be positioned precisely and with minimal effort along the length of the track. In addition the slimline flush mounted gear can come with a clear plastic cover on the rear enabling quick identification of the driver for ease of future maintenance. Available in two colours, 3 beam angles and multiple lumen outputs this eye catching new range of track spots has been developed for retailers that are looking to make an instant impact.

APPLICATION

- Display Lighting

SPECIFICATION

Construction

- Robust die cast aluminium housing
- Powder painted matt white or black

- High performance custom lens optic
- All luminaires supplied with three circuit track adaptor

Performance

- Available in 1400lm, 2000lm and 3000lm LED variants
- CRI 80+

the nature of the defect.

The control gear within our high frequency and LED luminaires is further underwritten by our suppliers for a period of up to 5 years in total from the time of purchase. This comprises labour and parts for the first 3 years and free of charge components only for the final 2 years.

PROTEC LED FR 8W GU10 luminaires and all Emergency LED ranges such as LED 3, EXI, HBE, OAT, O EZ, AME, OEH and TWS * are exempt from the 5 year warranty and are supplied with 1 year warranty only. PROTEC LED COB luminaires are supplied with a three year warranty for replacement luminaires only.

All warranties are subject to correct use of the product and will be invalidated by misuse, for example incorrect installation or unsuitable environmental conditions.

It is the duty of the customer to ensure that all relevant tests have been carried out prior to requesting site visits or replacement products, for example replacement of lamps, commissioning of sensors and inspection of external wiring. In the event that no defect is found with the product our costs for attending site will be recharged to the customer and credit will not be issued against returned products.

No consequential losses incurred resulting from any defect with our product will be reimbursed.

Consumable commodities such as lamps, starters and batteries are excluded from these warranty terms. Batteries are supplied with a twelve month warranty only.

If you require any assistance with regards to our products please do not hesitate to contact our Customer Services department on 01747 858100.

*The LED4 Emergency LED range is supplied with a three year battery warranty and 5 year luminaire warranty.
